AL AREEN

ABOUT US

Al Areen Trading Co LLC was established in Dubai, United Arab Emirates, in 1990 as a company for importing, exporting, wholesaling & retail trading, marketing and distribution of different varieties of food packaging disposables, cargo packaging materials & plastic house hold items and other related products. Within a limited span of time, company has grown to become market leaders in its field. Al Areen has its reputation for supplying quality products in required quantity at very reasonable price within minimal turnaround time and outstanding service. Al Areen operates with the service motto:

"We Offer Quality in Every Quantity at Affordable & Reasonable Price."

Al Areen Trading is the sole distributor for international house hold brand EQUURE for the Middle East Region. Al Areen has a large distribution network spread throughout UAE & having exports to the GCC countries, Egypt, Jordan, Africa, Europe, USA & West Indies. Al Areen deals in supreme quality food packaging disposables that meets international standards, cargo packaging materials and other related products. Al Areen's products are packed hygienically & with air-tight lids in the latest modern and attractive ways to meet the market need, designed by its own team of designers and patented under trademark and AAT brand names to retailers, wholesalers, hyper / super markets, catering companies, hotels, hospitals, bakeries, shipping & logistics companies, construction companies, Government departments and many more.

Al Areen has been the market's choice not only with our large range of products, but also because of our unique and innovative quality products coupled with high quality & outstanding services that stand out from others.

ALUMINIUM RANGE

Aluminium Containers
Aluminium Platters
Aluminium Foils

Food Pack has a wide range of standard aluminium containers that can be used for fresh, chilled or frozen foods. From large gaumet trays and serving platters to compartmentalized containers and an extensive selection of smooth-walled containers, you are sure to find the designs that fit your needs. Containers come in plenty of shapes and sizes, ranging in capacity from 10 to 10,000 millilitres, and have a large variety of lids to go with them.
